Serving Those Who Have Served

Jesus said, "By this all will know that you are My disciples, if you have love for one another. (John 13:35)

The love of Christ is evident in the actions of His children. On a warm June day, we had an energetic group of youth from a local church that blessed our retirees with a free car wash. What a beautiful act of service! After the car wash they had a time of mission emphasis. Could these be future missionaries?

A group of teens from a church in North Dakota came for a week, not to hang out in Florida at the theme parks or work on their tan but to complete some essential jobs around The Homes. They resealed all three bridges and repainted the barely visible road directions for safety. All this in 95°+ sizzling hot weather. The team managed to get in a little beach time and fishing, but we are trusting their Bible study emphasis and missionary messages will be their lasting memories.

We are thanking God for your prayers for more staff. We have new staff planning to come in the new year to serve in the chaplaincy, kitchen and personal care. Thank you for your prayers and support of The Homes of Ethnos360.
