

# The HOMES of ETHNOS360

*Serving Those Who Have Served*

Spring 2026

**Kyle, Mackenzie & Evelyn**

You have prayed, and the Lord has graciously answered. We invite you to join us in welcoming several wonderful new team members to our staff.

Kyle, Mackenzie and baby Evelyn Sasaki have joined us as associates and are filling vital nursing and personal-care positions in our Assisted Living Facility. These roles are essential to the smooth operation and compassionate care we strive to provide. Baby Evelyn has already become an instant celebrity among our residents, bringing joy and smiles wherever she goes.

We are also delighted to welcome Kyle's parents, Scott and Terri Sasaki, former missionaries to Papua New Guinea. Scott is now serving at the Ethnos360 Home Office, and Terri has stepped into the role of Activities Director for the Latham Center. Terri has a unique gift for connecting with our residents and creating engaging and fun activities for all to enjoy.

**Scott & Terri**

**Craig & Cheryl**

Craig and Cheryl Cassel, who have served in a variety of roles within Ethnos360, are now bolstering our kitchen staff numbers. Their arrival fills an urgent need for cooks to serve our Latham Center residents with excellence and care.

In addition, Stephen and Ginger Jordan — after many years of church-planting ministry in the Philippines — are now blessing our community in our chaplain ministry. We are grateful for the kindness, compassion, and spiritual encouragement they will bring to our residents.

**Stephen & Ginger**

While we rejoice in how God is providing, we also want to share that we continue to face urgent staffing needs. Seven of our long-term staff members will be retiring in the coming months — several of whom have faithfully served well into their 70s. They will be deeply missed in their respective ministries, and we are seeking the Lord for the right people to step into these important roles.

Please join us in prayer for the following key positions:

- Building Maintenance
- Food Service Manager
- Mechanic
- Cook
- Housekeeping Coordinator
- Plumber
- Electrician
- HVAC/C Technician

If you — or someone you know — would be a blessing to our team and feel called to serve, please share this list with them. They can visit our website at <https://homes.ethnos360.org/> or call our office at 407-330-1505.

In His grace,  
*Brian L. Shortmeier*
