108 MISSION BLVD., SANFORD, FL 32771-7604

April 2, 2019

Dear Friends,

On behalf of the NTM Homes retirees and staff, we want to thank you for your interest in this ministry at the retirement center. There are 138 retirees living at NTM Homes. They have served in 22 different countries with a total of 5,238 years of missionary service among them! You have had a part in the lives of these dear servants. This is especially so with your partnership in this ministry. Many of these retirees volunteer in maintenance and personal care at NTM Homes, as well as serving in the local community. For this we praise the Lord!

As amazing as this is, there are 21 of our retirees at NTM Homes who are 90 years old or older. Most of them are pictured below.

As you can imagine, it takes people to care for people. As a result, the Lord has supplied a group of Ethnos360 missionaries who make up our amazing Staff Team. Each came to fill a specific staff need. Once they settle into their ministry, they began cross-training to be able to serve in other staff responsibilities. Yet we have need of a mechanic for vehicle/equipment maintenance; a general maintenance man; a couple to cook; a personal care person; a registered nurse; two housekeepers; an electrician; a grounds manager; a grounds maintenance man; an IT technician; a resident advisor; and a couple to coordinate volunteers. Please be praying with us as we look to the Lord for these immediate staff needs.

We also praise the Lord for all our amazing volunteers. Some come in RVs (recreational vehicles) during the winter season. Others are from the local community serving throughout the year as NTM Homes Volunteers.
