

The HOMES of ETHNOS 360

Serving Those Who Have Served

Winter 2022

The Volunteers are back!

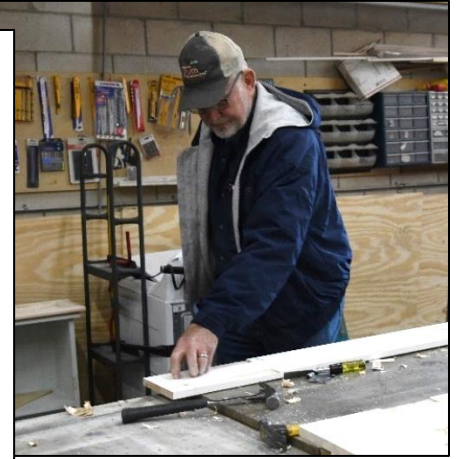

With the arrival of January, our Royal Volunteers have filled up the RV court and have begun bustling around The Homes, installing, repairing and cleaning things. Our staff and residents are so encouraged by their cheerful faces and the improvements they make to The Homes.

This year we have three apartments under renovations in preparation for new residents, numerous grounds maintenance projects, many repairs in apartments, and the Merry Maids who clean windows and light fixtures in nearly every house.

The Back Gate Project is still on our To Do list, but we are waiting for approval from the city. Would you please pray with us that those who make the approvals would be favorable to The Homes and quickly grant the permissions we need to start the project?
