

The HOMES of ETHNOS 360

Serving Those Who Have Served

Summer 2022

Because we hope, we do not fear. The apostle Paul says in 1 Corinthians 15:42b-44 "The body that is sown is perishable, it is raised imperishable; it is sown in dishonor, it is raised in glory; it is sown in weakness, it is raised in power; it is sown a natural body, it is raised a spiritual body."

In our community of retired missionaries, saying earthly good-byes is not uncommon. It is the desire of our staff for God to use us to ease this transition of living in bodies prone to pain and suffering to stepping into God's presence. The good-byes are always difficult. We grieve with the families, yet we know our loved ones are now fully praising the God Who is welcoming His faithful servants with open arms.

This month has started out to be one of those periods when we say good-bye to a few of our long-time residents. We request prayer for their spouses and families as they adjust to life without their loved ones and for our staff as we help them walk through this transition process.

Your financial gifts and prayers continue to uphold the ministry of The Homes as we endeavor to provide a nurturing and caring environment for out veteran missionaries. Thank you for your partnership.

Gratefully,

Lynn May
